

# NU2U NEW TO SLIGHTLY USED CONVEYOR

## THE COMPLETE RESOURCE FOR ALL YOUR CONVEYOR NU2U NEEDS

Nu2U is our inventory of pre-owned as well as new material handling equipment we have in stock in our warehouse! The pre-owned equipment is well maintained and in good working condition, while the new equipment is still in the original shipping crate from the factory.

90 DAY WARRANTY

## NU2U CONVEYOR

Equipment inventory is dynamic and ever changing but it is worth a look to see if we have something that could be shipped to you right away. The inventory consists of a variety of conveyors (belt, roller, gravity, etc), hydraulic scissor lift tables and other types of miscellaneous material handling equipment. Some of this equipment has come from customers that only had systems in for a short time, some is from projects that had extras left over. Regardless this creates an opportunity for significant savings on the purchase of available equipment. All equipment is tested, cleaned and ready to install when it ships from our warehouse. Contact us today for a list of our available inventory!
