SYSTEMS IN MOTION RECEIVES INDUSTRY AWARD

01/15/2026

Elgin, IL – Systems in Motion, a recognized leader in the material handling industry, has been awarded the prestigious MVP (Most Valuable Partner) Award for its outstanding achievements in 2025 by their industry trade association, The Material Handling Equipment Distributors Association (MHEDA). This achievement marks the 14th consecutive year that Systems in Motion has achieved the Award.

The MVP Award is a coveted accolade within the industry, with fewer than 10% of MHEDA's member organizations earning this distinction. Systems in Motion continued recognition as an MVP within the industry underscores a commitment to excellence, professionalism, and responsible stewardship in the business world.

To qualify for the annual MVP Award companies must provide evidence of their commitment to their partners in business including their customers, employees, and suppliers. They must satisfy criteria in the following important areas:

- Industry Advocacy
- Customer Service & Safety Practices
- Business Networking
- Continuing Education
- Business Best Practices

Systems in Motion is a turnkey systems integrator that uses cutting-edge technology to design warehouse solutions and improve production – using innovative automation solutions, process improvements, flexible and modular software, and trusted name brand equipment to develop systems that deliver results.

Scott Lee, President from Systems in Motion said “Congratulations to the entire Systems in Motion team for being awarded the MVP from MHEDA 14 straight years in a row!! This reinforces our incredible culture and dedication to the Customer Experience. Thank you to everyone!”

“Earning MHEDA's highest honor, the MVP Award is a significant achievement that speaks directly to a company's genuine dedication. It is a clear testament to their commitment to professional excellence, their partners, and continually improving the value they bring to the entire material handling community. Darin Boik, President, Advanced Equipment Company and 2026 MHEDA Chairman.

The Material Handling Equipment Distributors Association (MHEDA) is the premier trade association dedicated to serving all segments of the material handling business community. MHEDA represents over 500 companies in the material handling equipment business. Located in suburban Chicago, the association provides services to companies seeking to improve their business through education, networking, benchmarking and best practices.
